There are easier ways to pay. BTU offers many choices so you can find the bill payment option that fits your needs.

● **Automatic Bank Draft**

Payment for your bill is automatically charged each month on the bill due date from the bank account provided.

● **Online E-Check**

A one-time online transaction completed by the customer by entering information from a bank account into the secure portal on BTU's website.

● **Kiosk**

Pay using cash, card or check at any one of our three convenient locations by entering your account number, listed on either your bill or your reminder letter, or by scanning a keycard provided by BTU. Keycards can be requested in the BTU main office.

CONSERVATION TIPS

Energy Conservation Tip:

Windows should be ENERGYSTAR® rated for our area of Texas or certified in all 50 states. ENERGYSTAR® rated windows are typically double paned and filled with gases to lessen radiant heat gain or loss.

Water Conservation Tip:

Standing water and saturated ground surrounding the water meter box could be indicators of a water leak. Other factors that should be considered include pooling water from irrigation and rain.

Call the City of Bryan at **979.209.5900** if you feel there is a problem with your meter.
