SmartHOME

saving makes sense

**Invest in improving your home's energy efficiency
and get rewarded with BTU's SmartHOME program!**

Taking on projects that make your home more energy efficient is a great way to lower your monthly utility bill,
and with BTU's SmartHOME program, the savings won't stop there.

Qualifying improvements can receive anywhere from a 10-25% rebate towards the entire cost of the project!

Eligible projects include:

**Replacement of
attic or exterior
wall insulation**

**Installation of
Energy Star®
rated windows**

*Entire window replacement,
not just glass*

**Installation of
solar screens**

Visit **btutilities.com/smarthome** to fill out an application, view eligibility requirements,
and find answers to frequently asked questions.

Business Owners:

Want to bring these savings to your business?

We've got a program for that too! Visit **btutilities.com/smartbusiness** for more details.

**EXPERIENCE GAMEDAY
WITH THE GOOD LIFE!**

**In Historic Downtown Bryan,
fall Saturdays are for football.**

Whether you're celebrating before or after the game, or looking for a place to bring your family to cheer on the Aggies off-campus, join us in Historic Downtown Bryan every Saturday and Sunday during football season.

GAMEDAY SHUTTLE

Park, ride and enjoy the game!

Shuttles run three hours before, during, and one hour after games, from the Roy Kelly Parking Garage in Historic Downtown Bryan to Texas A&M's Memorial Student Center.

CONSERVATION TIPS

ENERGY:

Electric water heating accounts for about 18% of your home energy usage. Turn your water heater down to 120 degrees to save money every month of the year.

WATER:

If you wash your car or perform other chores with a hose, make sure you use a shut-off nozzle so water only flows when you need it. This can save dozens of gallons compared to letting the hose run continuously.
