**Connect, Learn, and be Empowered: INTRODUCING OUR NEW WEBSITE!**

*We're excited to announce the launch of our brand-new website, designed with YOU in mind!*

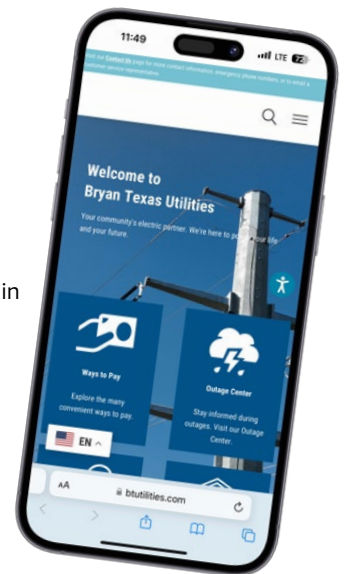

We heard your feedback and understand the need for a website that empowers you and simplifies your experience. This redesign is all about putting you at the center, making it easier to find the information and resources you need, connect with staff members, and make managing your utilities easy.

**So, what's new?**

**Find What You Need, Fast:** No more endless searching. We've implemented a powerful search engine that allows you to quickly find the information you're looking for.

**A Wealth of Knowledge:** Dive into our enhanced resources. The site is brimming with helpful tools to support you in achieving your energy goals.

**Seamless on Any Device:** Our website is fully responsive, ensuring a smooth experience whether you're using a desktop, tablet, or smartphone.

Head over to **btutilities.com** and explore the all-new website. We're confident it will become your go-to resource for everything energy related.

**Don't forget!** We're here to support you. If you have any questions or need assistance navigating the new website, please don't hesitate to reach out to us 979-821-5700.

## CONSERVATION TIPS

### Energy Conservation Tip:

Close drapes and blinds fully once the sun goes down in the winter to reduce the chill you may feel from cold windows

### Water Conservation Tip:

Check to see if your faucets have aerators. If they don't, install them! You'll never notice the difference, and you'll cut your sink water consumption in half.
